## Fire Prevention Week-October 8th to 14th

### Local Dairy and Producers Apply for Milk Price Increase

J. B. Moore, Administrator of Milk Control, Public Utilities Board, Edmonton, at a sitting in Blairmore Court House, September 20, heard an application from the Pass Dairy Limited and producers supplying the dairy, for a 3c per quart increase in the price of milk. Mr. Moore will present the information from the hearing to the Utilities Board for ruling.

John Driezen, Cowley milk producer, spoke on behalf of himself and the other area producers, and showed by means of his own financial statement where he had only made a profit of \$1191.74 on a 40-cow herd in 1966.

The statement also gave a complete break-down of expenses and costs against profit which showed each cow only netted the producer a total of \$30.11 in 1966.

Further figures showed a profit of only 1/4c per quart in 1966 against half cent per quart in 1965, which indicated that rising operational costs were making it very difficult for a dairy farmer.

E. R. J. "Bob" McGregor, chartered accountant of Lethbridge representing the Pass Dairy, presented a financial statement of the dairy's operation for the past ten months.

Mr. McGregor stated that the company were operating on a very economical basis and that money in the firm was not squandered. He stated that the wages of the manager and the assistant manager was in the \$300 per month bracket and that neither had enjoyed a raise in the past three years. The company, he said, was operating on a very low capital and resulting two new trucks, that are badly needed, cannot be purchased. He also emphasized the fact that the company was having difficulty employing help at the present wage scale.

Joe Fauville, owner and operator of the Pass Dairy, spoke on on the company's behalf, and indicated that the local firm was only charging 28c per quart for milk and that the Pincher Creek price for milk was 31c per quart, and in Michel and Fernie, B. C. the price was now 32c per quart.

Mr. Fauville stated that in 1940 employees received a pay cheque of \$40 per month and milk sold at 10c per quart. Wages today, he added, have gone up seven and a half times and milk has only gone up to 28c per quart.

If the price of milk was to be raised in accordance with wages he said milk would now be selling at 75c a quart. Mr. Fauville also compared the spread out and difficult winter time routes his drivers have to travel. In one case he stated one of his drivers had to drive to Summit Lime Works and Sentinel Power plant at the far west end of the Crows Nest Pass and sales in this district totalled only 16 quarts a day - resulting in a daily loss for the dairy. He stated that the producer too was faced with a tough problem of getting milk to the distributor. He referred to one instance where a producer in the Lee Lake district had to use a Caterpillar tractor and sleigh to get the milk to the highway where he was waiting with a truck to haul the milk to the plant.

Henry Zak, chief of the Coleman Volunteer Fire Brigade, announced this week that the annual school essay contest and coloring contest for grades 1 to 7, Coleman schools, will again be held during Fire Prevention Week, October 8 to 14.

During the week films will be shown at the local schools and talks will be given to the students by Rangers Dick Girardi and Al Gaman of the Coleman Forestry Service; Andy O'Toole of Lethbridge Fire Commissioners' office and members of the Coleman

Brigade. During this event prizes and awards will be made to the winners of the contests.

Members of the local brigade will also make their annual check of business premises and a number of homes will also be inspected for fire hazards.

Mr. Zak also announced that the annual banquet for the firemen, their wives and guests, will be held on November 10th and the annual social and firemen's ball will be held during the same evening.

### Council Hear Deligations Requests

John Poxton, spokesman for a delegation of residents from the eastern suburbs of Coleman, presented council with a petition requesting the town of Coleman's Light and Water Company to extend its water lines to include the areas of Grafton town and Blairmore road.

Since these areas are not included in the boundaries of Coleman proper and lie in the Improvement District, council advised the delegation they should approach the Department of Municipal Affairs with this matter. Meanwhile the town will investigate the feasibility and costs of undertaking such a project.

W. Burrows, representing the Coleman merchants on the main street, presented council with a petition protesting the coal dust problem on the main street arising from the mine tippie (cleaning plant).

Application was made by Natal Forest Products a. the extreme east end of Coleman, to be serviced by the Coleman Gas Company. Council will look into the feasibility and cost of extending the company's gas service lines to provide this service.

Alex Wells, chartered accountant of Blairmore, presented his quarterly auditor's financial statement which showed the town to be in good financial condition.

### Family Service Bureau Hold Meeting

The Board of Directors of the Family Service Bureau of Crows Nest Pass and Pincher Creek held its first meeting of the fall season in the Cowley Community hall.

The Bureau has been non-functional for the month of August because of staff holidays and staff shortage. Throughout this period the Board has been active trying to bring to a culmination our union with the Preventative Welfare Service.

We have, to date, been unable to replace Sr. Leo Agnes' service with those of another trained social worker, but now Sr. Bernarda has agreed to be in our office each week-day from 9 to 11 a.m. to give such help as she is able, and to direct the other cases to our Psychological Counsellor, Rev. Harold Coward. Mr. Coward will continue his schedule of working in Pincher Creek on Wednesdays from 2 to 5 p.m., and in Blairmore on Fridays from 2 to 5 p.m.

### Giant \$5,000 Cash Bingo To Be Held

The Pincher Creek Kinsmen Club will hold a \$5,000 cash bingo in the Memorial arena on Saturday, October 7, commencing at 8:30 p.m.

Admission price has been set at \$5 for 18 games and extra cards can be purchased for \$1 each.

There will be fifteen games for a \$100 cash prize, the 7th game will be for \$500, the twelfth game for \$1,000 and the final game for a grand cash prize of \$2,000.

### Girl Forest Guards Camp

August 12th to 19th

Jarvis Lake Camp gives young girls a chance to learn of survival as six of the Coleman Girl Forest Guards spent a wonderful week at the Junior Forest Warden's Camp, sponsored by the Department of Youth Provincial Government.

It is a great opportunity for young girls 10 to 16 years of age, to learn about forest conservation and survival.

The camp director was George Brewster of Edmonton, and assistant director was Terry Whiteley of Hinton.

There was one supervisor and four counsellors at Camp in a volunteer capacity.

Mrs. Peter Walker, counsellor, was in charge of the Coleman girls in the absence of Mrs. Marion Amell, supervisor of the Coleman group. The girls were:

Janice and Ruth Ash, Donna Amell, Judy Kulig, Barbara Wesko and D'Arcy Peknik.

The girls got up at 6:30 every morning and went through the obstacle course before breakfast. The obstacle course would test the skill of a man in top physical shape. At the swimming classes the two instructors taught the girls mouth-to-mouth artificial respiration as well as down proofing.

After returning home for a week all the Coleman Girl Forest Guards went on another three-day camp at the Lost Lemon camp ground, from Tuesday evening until Friday evening of last week.

Thirteen Coleman girls attended the camp under the leadership of Supervisor Mrs. Marion Amell and Counsellor Mrs. Beth Walker.

The girls enjoyed swimming, canoeing and camp fires. A very good time was had by all.

Thank you, Mrs. Amell and Mrs. Walker. Mrs. Amell would like to inform interested girls that meetings of the Girl Forest Guards resumed for the fall on Thursday, September 7th at 6 p.m. in the United Church club room. Mrs. Esther Ash, counsellor, will be assisting Mrs. Amell in the leadership of the group.

RUTH ASH,  
Secretary.

### Costigan Appointed To Senate

T. J. Costigan, Blairmore lawyer, has been appointed to the senate of the University of Lethbridge.

Mr. Costigan has had a great deal of experience in the field of education, having served in the past 15 years as chairman of the Blairmore and the Crows Nest Consolidated School Board.

Under his direction, two new schools were built and the various school boards in the Crows Nest Pass were consolidated under one central authority.

Mr. Costigan is a graduate of the University of Alberta in Arts and Law. He is married and has two sons and one daughter.

Cider is the fermented juice of the apple, while fermented pear juice is called perry.

### Hotel Association of Alberta Sponsors Scholarship

\$9,000 Centennial Scholarship, sponsored by the Alberta Hotel Association, is presented by their president, W. A. Procter (right) to Robert E. Woodrow, 18, of Indus, Alberta. Witnessing the ceremony in Calgary were: (left to right) John Starchuk, Vice-President, Alberta Hotel Association; George T. Barr, Managing Director, and A.R. Okazaki, Student Awards Officer, University of Calgary.

### Election To Be Held

Incumbents Melvin Cornett and Ted Kuyckas and newcomer Mel Taje will contest for two seats on Coleman Council in the forthcoming elections to be held in October.

The three names were entered on nominations days, September 27th.

Stuart Murdoch was returned by acclamation to represent Coleman on the Crows Nest Pass Municipal Hospital Board of Trustees.

### Junior Golfers End Season

Junior golfers of the Crows Nest Pass Golf and Country Club wound up the season at a banquet held in the club house last weekend.

During the event, trophies were presented with Dr. Roughed of Coleman taking top honors in the club by being awarded the Dr. Burgman Junior Club Championship. Presentation was made by Dr. Burgman.

Winner of the John Ulrich Challenge trophy was Larry Longworth who accepted the trophy from Mr. Ulrich.

The Most Improved Junior trophy, presented by Fred S. Radford, was won by Neal Finn of Blairmore and the Ecclesiastic trophy was won by Alan Splevak of Coleman.

Speaker at the banquet was F. S. Radford who commended the young people for taking part in the club activities during the season.

Tom Richards on behalf of the Junior Golfers, expressed thanks to the sponsors of trophies and to the senior club for their support of the young people.

### Teacher Interchange Working Well

W. Ede, superintendent of the Crows Nest Pass School District No. 63, announced this week that Miss Delores Speer of Missouri, U.S.A., has been hired as an English teacher at the Isabelle Selson high school in Blairmore.

Miss Speer has four years experience teaching.

Mr. Ede also advised that the interchange of certain teachers between the Coleman and Blairmore schools is working out extremely well. The interchange was found necessary due to a shortage of teachers. Italo Bosetti, shop teacher of the Isabelle Selson high school in Blairmore, spends three half days per week teaching grade 7 and 8 boys at the Coleman school and the remainder of the week is spent at his home school.

Mrs. M. Quarin of the Horace Allen high school in Coleman, spends four half days per week teaching home economics to the grade 10 girls at the Isabelle Selson school in Blairmore. The remainder of the week is spent in Coleman.

Robert W. Elliott, Guidance Counsellor for the area devotes two half days per week to the Coleman school with the remainder of his time being used at the Isabelle Selson school in Blairmore.

### Social Credit Group To Meet Oct. 12

The Pincher Creek - Crows Nest Pass Social Credit Association has announced that the annual meeting is to be held in the Community hall in Cowley, starting at 7:30 p.m. Thursday, October 12.

Arrangements for a number of guest speakers is being made and refreshments will be served.

Everyone is welcome to attend.

# NOTICE

## Municipal Elections 1967

Public Notice is hereby given that polling will take place for the election of Councillors for the Town of Coleman on WEDNESDAY, THE 18th DAY OF OCTOBER, 1967, from ten o'clock in the forenoon until seven o'clock in the afternoon. Polling will take place at the Coleman Miners Union Hall.

And that I will at the Miners Union Hall on Wednesday the 18th day of October, at seven o'clock in the afternoon sum up the votes and declare the results of the election.

Given under my hand at Coleman, Alberta this 4th day of October, 1967.

CLIFFORD D. NOBLE,  
Returning Officer.

### OF MANY THINGS (By Ambrose Hills)

#### Ambrose To Replace Anne

When I went looking for stories recently, for my daily radio broadcast, I spotted a nice-looking set-up with a big sign on it reading B.C.A.I.

"Ah," said I to myself. "The B. C. Agricultural Institute! A perfect place to learn about farming." With pencil and notebook all poised I walked in. A lovely lady at the front desk greeted me, and I went into my usual spiel about being a greenhorn farmer and having this newspaper column and a radio broadcast in which to pass along what I learn about it. "Could you please show me around?" I asked her.

Well, the lady gave me a radiant smile, and I thought, "My, but they're friendly folks here." She seemed to be just bubbling over, and there was even the trace of a laugh in her voice. "I'm afraid that I can't show you around myself," she said, "but I'll introduce you to our field man." She started to lead the way to an office, and I could tell even from the back of her neck that she was smiling from ear to ear. I began to have a vague feeling that all was not right. I had never been greeted so joyfully before in any government institution.

In the office a pleasant-looking young man looked up and I gave my spiel, and he grinned gaily. "Sure we're glad to have you, but I doubt that I can be very helpful."

"Isn't this the government's experimental farm?" I asked. "Isn't it the B. C. Agriculture Institute?"

He shook his head. "This," he said "is a private enterprise with 35,000 members in the Lower Fraser Valley and the North Okanagan."

He then explained that B.C.A.I. stands for the British Columbia Artificial Insemination centre.

Anyway, he gave me the royal tour, and I met some of the most famous bulls in the world. I learned that 85 per cent of the cows in the Fraser Valley are bred artificially; and that one bull, still living has fathered 225,000 offspring.

So now, though I may not be the best farmer in the world, I think I know enough to become the Anne Landers of the Beef and Dairy world. All questions will be answered in a plain, sealed envelope. Just write to the Greenhorn Farmer, Serpentine Road, Cloverdale, B. C.

### Fire Prevention Week October 8 to 14

Queen Elizabeth has issued a royal proclamation designating the week of October 8th to 14th inclusive as Fire Prevention Week in Canada.

The proclamation takes note of the fact that in the past 10 years in Canada, 812,000 fires have claimed the lives of 5900 persons, injured at least 19,400 others, and caused damage approaching the one and a half billion dollar mark.

In her proclamation the queen urged that all buildings, whether homes or commercial property, be inspected for possible fire hazards and that proper plans of evacuation be formulated for the event of fire.

For the three week period of October 1 to 21, fire chiefs all through Alberta will make daily reports of all fires to which they responded. These reports will be made public daily.

In the province of Alberta last year, fire claimed the lives of 39 persons and caused fire losses to property of over \$12 million. The loss due to forest fires is not included in this figure.

### October Traffic Safety Conference

A new definition of failure in our society is . . . to be without access to a car. Cars are vital to

the way we live. Yet we have not learned how to live with them.

At least that is the view being taken by the Alberta Safety Council in its plans for a provincial traffic safety conference, set for Chateau Lacombe in Edmonton, October 13 and 14, 1967.

Conference theme is "The Motor Vehicle and Us". According to the Safety Council, it is intended to give those responsible for dealing with problems, posed to society and government by the motor vehicle, a place where they can exchange practical ideas.

More than 200 people are expected to attend. And although this conference is open to any person interested in traffic safety, initial invitations have gone to Mayors and Reeves, Chairmen of School Districts, Members of the Legislature and Police forces.

Five topics fields are covered by the conference agenda. They include the motor vehicle and youth, the motor vehicle and the school system, the motor vehicle and local government, the motor vehicle and the law and the motor vehicle and public safety education.

Young people will play a major part in the proceedings. Beginning drivers will give their points of view on matters such as the right age to start driving, the best way to learn and how adults and youth can learn to behave with greater safety on the road.

### on Non-Chequing Savings Accounts

You'll receive your interest paid semi-annually on your minimum monthly balance. And, a Commerce Non-Chequing Savings Account is just what it says... you can't write cheques so there is less temptation to spend your savings before you reach your goal. Of course, you may make withdrawals at any time. If you have a Regular Savings Account at the Commerce, you get 3 1/2% interest with chequing privileges. But now, you can also open the Non-Chequing Savings Account.

CANADIAN IMPERIAL  BANK OF COMMERCE

### MacQuarrie-Kanik Vows Exchanged

BLAIRMORE — July 26th was the date chosen by Miss Florence (Tina) Kanik for her late-afternoon wedding at St. Anne's Roman Catholic Church, Blairmore. She became the bride of Mr. Malcolm MacQuarrie of Coleman, at a delightful ceremony performed by Father P. A. Tessier.

Mother of the bride is Mrs. Mary Figura of Blairmore, while the groom's parents, Mr. and Mrs. Allister MacQuarrie, reside in Coleman.

Bouquets of 'mums decorated the church and the bride was escorted down the aisle by her brother-in-law Mr. Henry Spatuk. She was radiant in a floor-length gown of silk organza over peau de soie, featuring an empire waist, puff sleeves and long train attached to the shoulder. Lace trim enhanced the gown and her four-tiered shoulder-length veil misted from a pearl and crystal headpiece, fashioned with a single lace rose. Her bouquet was of apricot roses and white lily of the valley, and she wore a cultured pearl drop necklace and earring set, a gift of the groom.

Attending the bride were of honor Miss Jacalyn MacQuarrie, sister of the groom, of Calgary, and bridesmaid, Miss Marianne Spatuk of Blairmore, niece of the bride. They wore floor-length gowns of apricot peau de soie featuring empire waists with a large apricot bow of peau de soie as headpieces. They carried bouquets of apricot and white carnations.

Mr. Michael Kanik of Blairmore, brother of the bride, was best man, while Mr. Tony Sikora of Missoula, Mont., acted as groom-

man.

Mrs. Mary Fleming, sister of the bride, was soloist, accompanied by Mrs. Frances Kuryluk at the organ.

Following the ceremony a reception was held at the Turtle Mountain Hotel. The bride's table was decorated with roses in glass bowls and in the centre was a beautiful three-tiered cake, resting in a bed of apricot and white tulle and topped with white swans. White roses were also part of the cake decorations. The cake was baked by the grandmother of the bridegroom, Mrs. Mary MacQuarrie of Coleman.

The toast to the bride was given by her brother, Mr. Michael Kanik, and responded to by the groom. Toast to the bridesmaid was given by Mr. Tony Sikora.

For her daughter's wedding Mrs. Figura wore a mint green brocade dress with white accessories and her corsage was white roses. Mrs. MacQuarrie chose an aqua acetate and viscose crepe ensemble with white accessories and corsage of white roses.

For her honeymoon in Banff and Jasper, the bride donned a petal pink matching dress and coat with petal pink hat, and white patent accessories and gloves in white. She chose a pink rose corsage.

Mr. and Mrs. MacQuarrie have now taken up residence in Blairmore where the groom is employed as X-ray technician at the hospital.

Guests at the wedding were from Blairmore, Coleman, Frank, Bellevue, Cranbrook, B. C., Calgary, Natal, B. C., Didsbury, Warner, Rocky Mountain House and Eckville.

### Botulism in Waterfowl Population

As a result of abnormally warm weather and receding water levels, S. B. Smith, Director of Fish and Wildlife, Alberta Department of Lands and Forests, warns that many areas of the province are experiencing outbreaks of botulism in waterfowl populations.

East-Central Alberta appears to be the area most greatly affected to date.

Waterfowl suffering from botulism poisoning are generally listless and are unable to fly. Death rates of waterfowl from this cause is extremely high.

Hunters are cautioned against picking up dead or disabled waterfowl as the toxins in them can prove detrimental to man.

Any flying waterfowl are almost certain to be unaffected and are therefore safe for human consumption. No ill effects will be experienced by handling sick or dying waterfowl. Thorough cooking will not insure safe eating. Hunters may be assured that any flying bird has not been affected by bou-

lism toxin.

It is not likely that most sportsmen will pick up dead or dying ducks and it has been the department's experience in the past that botulism die-offs have not resulted in human poisonings but the division feels that it is part of their responsibility to inform the public of such possibilities.

### National Parks Slightly Off 1966 Record

Poor weather in the early part of 1967 was responsible for a slight drop in attendance at National Parks in Canada for the period April 1 to July 31. Attendance dropped 6.66 per cent in the overall picture, although several individual parks made significant attendance gains.

St. Lawrence Islands National Park and Georgian Bay Islands National Park in Ontario recorded attendance increases of 14.23 per cent and 24.95 per cent respectively. Terra Nova National Park attendance jumped a significant 51.37 per cent with 176,133 visitors compared with 116,389 for the same period last year.

Attendance was down slightly in Banff National Park, Alberta (4.10 per cent) while Jasper National Park, Alberta, showed an increase of 1.29 per cent. Waterton Lakes National Park, Alberta, also gained 66 per cent in attendance over last year. National Parks attendance dropped considerably in Fundy National Park, New Brunswick (25.58 per cent) and Prince Edward Island National Park (28.51 per cent). Expo is considered a contributing factor to the Maritime visitor decline.

It is expected the losses in attendance will be made up, and an overall increase shown with better weather in August and September.

### BURNS

A First Aid Tip From St. John Ambulance

Burns are perhaps the most mistreated injuries known to first aid. Nothing, other than water or sterile dressings, should be used in their treatment, warns St. John Ambulance.

Where the skin has not been broken, immersion in cold water, or the application of a cold wet cloth will relieve the pain. Where the skin has been broken, infection is a particular hazard. The burn should not be breathed on or touched by anything other than a sterile covering and the patient should be taken to a doctor as soon as possible. Even superficial burns, if over a large part of the body, should be treated as serious.

Remember, with elderly people and pre-school age children, all burns are serious and a doctor should be consulted.

## Add a Little Love To Your Life ... ADOPT!

The Province of Alberta, Department of Public Welfare faces a major crisis in its Child Welfare Program. "The problem to be faced is how can we find enough Adoption Homes for the steadily increasing number of children coming into the care of the Department," said the Hon. A. J. Hooke, Minister of Welfare, in a statement issued in connection with adoption month, October.

Last year over 1300 children were placed for adoption. This year over 2,000 adoption homes are needed with parents who want children and who love children enough to offer their homes to a child in need of adoption.

With a steady increase in the number of children being born out of wedlock and the marked increase in the number of neglected children being made wards through the court, I am appealing to the citizens of Alberta to come forward and show that there are adopting parents in all parts of this province who can find room for one more child in their hearts and their homes.

During the month of October, in 16 of the larger centres of the province, adoption meetings will be sponsored by the Department of Public Welfare to give information, to show pictures, and to provide an opportunity for couples interested in adopting a child to get first-hand information - without commitment - about how simple it really is to adopt a child. Do you really know how much an adopted child could mean to you life and your family? The Department of Public Welfare is willing to help you in every way possible to find out about and do something about adopting a child. I am convinced that there are many hundreds of people in Alberta who have the erroneous idea that they can't adopt a child because they don't own their own

home, because they don't have enough money in the bank, or because they think there is too much red tape involved in adopting a child.

I invite these people to write to or visit the nearest office of the Department of Public Welfare and arrange for one of the Department's social workers to see them and start on the road to a life-time of happiness and joy, and in doing so insure that no child in need of an adoption home is denied one because of misunderstanding or lack of information.

Every child needs a mama and daddy and I'm sure Alberta has thousands of couples willing and anxious to share their homes with and shower their love and affection upon a dear little homeless child. I know from experience the joy it brings.

During the month of October, the press, radio and TV will be appealing to you - the prospective adopting parent - to come forward. Add a Little Love to Your Life-ADOPT!

An Adoption Meeting will be held in the Isabelle Sellon high school at 8 p.m. October 17.

## Lions Name Bingo Winners

Winners of prizes at the Lions bingo night:

\$10, Mrs. L. Fauville, Mrs. Galamore and Mrs. D. Jahns.

\$12, Minnie LaCroix, Margaret Roughhead, Marge Kubica.

\$10, Marge Schultz; \$6, Mrs. Klemavicius and Mrs. P. Montabetti.

\$4, Mr. Depiero, Mrs. A. Krywolt and Ella Barnett. \$5 each, Rea Pinel, Mrs. J. Hardy (twice) and Mrs. Mills.

Turkeys, Mrs. Stober, Tod Podgornik, Rea Pinel, Dora Ondrik, Dody Hillas and Mildred Zak.

The next bingo will be held on Wednesday, October 11, when five \$12, five \$10, a \$100 to go and an \$80 five number bingo, besides extra games will be featured.

## Elks Announce Bingo Winners

Winners of prizes at the Elks bingo night were:

\$300 cash, Cliff Lethber of Fernie, B. C.

Grocery hamper, Mrs. Garner. Lady's hand bag, Mrs. Berdusco. \$24, Audrey Bonne.

\$15 gasoline, Mrs. Fauville. Aluminum roaster, Mrs. Tiffin. \$12, Mrs. S. Pierro.

Blanket, Dora Ondrik. \$12, split by Dora Ondrik and Joe Semensen.

The next bingo night to be held October 6th will feature a \$200 cash prize for the first 32 number blackout.

## First Legion Award To Dutch People

OTTAWA, Ont. — Dr. Willem Enklaar, Burgomaster of Holten, Holland, is in Canada to receive, on behalf of the people of The Netherlands, the Royal Canadian Legion's International Award of Merit.

This is the first time that such an award has been made, and it is being given to Dr. Enklaar in his capacity as Chairman of The Netherlands War Graves Committee.

The presentation will be made by Legion President Ron MacBeath of Moncton, at The Netherlands Pavilion, Expo, on Monday, September 18 at 3:30 p.m.

The medal is the Legion's way of showing its appreciation for the years of devotion which the people of The Netherlands have shown to the memory of Canada's war dead.

Since 1902 over 1100 Canadians

have visited war graves of relatives in Holland.

These 12 pilgrimages have been jointly arranged by the Royal Canadian Legion and The Netherlands War Graves Committee.

The Committee, composed of private citizens, has received an estimated 40,000 pilgrims since 1945. Most of these have been British.

When a Canadian pilgrim goes to Holland, all expenses while there are covered by either the Committee or the Dutch people. The Committee supplies ground transportation and meals; the Dutch people open their homes to the Canadians for the nine-day visit. The Netherlands Committee will also pay the trans-Atlantic air fare of any qualified person who does not have the funds to make the trip.

The pilgrimages are occasions when many Canadian mothers have met the people who have been caring for their son's grave for 22 years. A large number of Dutch people adopted graves after the war and have faithfully cared for them ever since.

Although the Commonwealth War Graves Commission does a remarkable job of caring for the 6331 Canadian graves in Holland, the Dutch people provide the personal touch.

A typical Sunday afternoon at the Holten Military Cemetery reveals dozens of bicycles at the gate; children, teenagers and adults diligently inspecting the rows of freshly cut flowers which they have placed on the Canadian graves.

One such person was G. H. Bos of Holten. Last year his wife died just prior to the arrival of Canadian pilgrims. She died on the day a Remembrance Service was being held in the cemetery. Mr. Bos forgot his personal grief long enough to remember the Canadians; he had the flowers from his wife's funeral placed at the foot of the Cross of Sacrifice in the Canadian Cemetery.

# Save Money

## While You Repay Your Loan

Your Credit Union helps you save, even while repaying a loan. That way, your money never stops growing—and normally BOTH your savings and your loan are life-insured!

Got time to stop in today, so we can tell you more about it?

# Double your money with Canada Savings Bonds

One of the great things about Canada is Canada Savings Bonds, and this year's Series is the most exciting yet. Interest starts at 5½% a year—the highest starting rate ever on a Canada Savings Bond—and goes right up to 6%. Over the 13 years to maturity the true average annual yield is 5.48%.

Best of all, Canada Savings Bonds have a wonderful compound interest feature which pays you interest on your interest. Take full advantage of it and you will double your money.

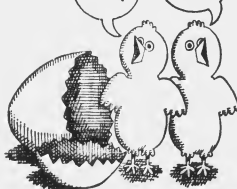

As always, Canada Savings Bonds are instant cash. They may be cashed at any time for their full face value plus accrued interest. They are easy to buy for cash or on instalments. They fit all savings budgets—from \$50 up.

And, for the first time ever, Canada's most popular personal investment may now be bought by businesses, churches, charities, clubs, and other organizations. Another first: the limit per holder for this Series has been increased to \$50,000.

Backed by all the resources of Canada, Canada Savings Bonds are a great way to save. Buy yours today and double your money.

Easy to buy  
Good to keep

Simple to cash  
any time

Buy yours today—  
where you work, bank or invest!

## HOW FIRE-SAFE IS YOUR HOME?

Last year Canadians ran up a staggering fire loss of over 153 million dollars. Terrible as this property loss is, the waste of human life is even worse. 571 Canadians died in 1966 as a result of fire!

Three-quarters of all fires happen in the home. Be on guard all the time!

#### Portable Lamps—Pretty and Practical (B. C. Hydro)

Portable lamps are too often chosen just as accessories. True, they should complement the style of furnishings, but care in choice and use can ensure that they are useful as well as decorative.

**HEIGHT** — When you choose a table lamp for your living room, consider not only the height of the lamp but the height of the table on which it will stand. — These two heights together should bring the lower edge of the shade just about eye level. If the lamp is too tall, there will be uncomfortable glare — too low and you lose useful light.

**SHADE MATERIAL** — Table lamps for reading should have a white lined shade for good reflection. The shade material should not be so thin that you can see the image of the light bulb through it. Somewhat translucent light shades are generally good, although if the lamp is viewed against a very dark background, near opaque is a better choice to cut down brightness contrasts. — Large wall areas and ceilings should be kept fairly light in color to reflect light from your portable lamps and prevent discomfort of brightness contrasts.

**SHADE SIZE** — For a reading lamp, the lower diameter of the shade should be 15" — 16" to give a good spread of light. A generous top diameter ensures soft upward lighting, particularly necessary if portable lamps are the main source of general lighting. Very narrow shades bottle up the light and should only be used on lamps that are strictly decorative.

**BULB LOCATION** — Lamp bulbs should be positioned low in the shade for two reasons. It means more light down when it's most needed and it improves the appearance of the lamp since the bulb is less visible.

**LAMP LOCATION** — After choosing your lamp, place it correctly for comfort and good light level. A table lamp should be placed in line with the user's shoulder. Tall floor lamps should be placed at the rear corner of the chair and chesterfield to avoid the discomfort of glare. To add flexibility to your lighting, 3-way sockets and 3-way light bulbs provide the right amount of light for reading or low level relaxing.

No matter what part of your home you consider, indoors or out, planned lighting adds immeasurably to enjoyment.

### In Memoriam

**KOVACH** — In Loving Memory of My Dear Husband, Tibor Kovach, Who Passed Away October 2nd, 1964: Fondly loved and deeply mourned, Heart of my heart, I miss you so; Often, my darling, my tears will flow; Dimming your picture where'er I go. 'Tis sad but true, I will abide Until some day I'll be side by side. A faithful husband, one of the best, May God grant him eternal rest. Lovingly Remembered by Wife Annis.

### In Memoriam

**KOVACH** — In Loving Memory of Our Dear Father, Tibor Kovach, Who Passed Away October 2nd, 1964: Gone, dear father, gone forever. How we miss your smiling face. But you left us to remember None on earth can take your place. A happy home we once enjoyed, How sweet the memory still. But death had left a loneliness and an empty chair. Always Remembered and Sadly Missed by His Daughter Cecilia and Son-in-law, Laurence.

Remember, you can't lift yourself by downing others.

Any fool can criticize, condemn and complain—and most fools do.

### Wedding Announcement

## Personalities IN THE NEWS

Dr. and Mrs. Frank Oliva and family of Calgary, visited at the home of the former's parents, Mr. and Mrs. Dominick Oliva. Dr. Oliva is a professor at the University of Calgary.

Henry Smolik, serving with the Canadian Army Medical Corps, was returned to Canada after spending two years in Germany and is spending a six week furlough with his parents, Mr. and Mrs. Walter Smolik, before returning to his base at Ottawa, Ont., where he will now be stationed.

This summer Mr. and Mrs. Laurent J. A. Desjardins (nee Kovach) of North Kamloops, B.C., motored to points east. Their vacation took them to Regina, Yorkton, St. Rose, Winnipeg and Prairie Grove. On their return they visited the home of Mr. Desjardins' mother in Lethbridge and Mrs. Desjardins' mother in Coleman.

Mrs. M. Glover of Bellevue, recently visited her son Calvin who is a patient in the High River Hospital. Friends in Coleman wish him a speedy recovery.

Mrs. D. Harding and daughter Lois of Vancouver were the guests of Mr. and Mrs. M. Cornett while here attending the funeral of Mrs. Harding's mother, the late Mrs. J. Emerson.

Mr. and Mrs. Henry Zak and family were recent Lethbridge visitors.

Mr. and Mrs. Hector Pividor and family recently spent an enjoyable holiday in their old home land, Italy. Hector was employed here as town foreman for several years.

Mrs. M. MacQuarrie accompanied her daughter and son-in-law Mr. and Mrs. R. Jenkins and her son and daughter-in-law Mr. and Mrs. M. Dunford and family to Expo. They also visited at Niagara Falls with Mr. and Mrs. R. Mather (nee Weslyn Dunford). Mrs. M. MacQuarrie then travelled on to Nova Scotia and Cape Breton her old home land. Her brother Neil A. McSean returned with her for a visit in Coleman.

Recent visitors at the home of Mr. and Mrs. Glen Poulton were; Mr. and Mrs. Almer Forgaard of "The Pas", Manitoba, Mrs. Ida Poulton of Canwood, Sask. and Mrs. Anna Blakeley of Vancouver, B.C.

Mr. Lenard Wright is a patient in an Edmonton hospital. Friends in Coleman wish him a speedy recovery.

Friends are pleased to hear that Mr. Richard Gerardi is convalescing at his home after being a patient in an Edmonton hospital.

Mr. and Mrs. M. Horn were recent Lethbridge visitors.

Mrs. Geo. Ford of Vancouver was a recent visitor at the home of Mrs. L. Boulton. She also visited relatives in Blair more.

Mrs. M. McKinnon has returned from a holiday spent at Vancouver and other British Columbia points.

Mrs. J. MacQuarrie visited at Lethbridge last week with her husband who is a patient in St. Michael's Hospital.

Friends are pleased to hear that Mr. Joe Lepacek is convalescing at his home after being a patient in the Municipal Hospital at Lethbridge.

Mrs. A. Sudworth was a recent Lethbridge visitor where she visited her grand-daughter, Miss Linda Sudworth, a nursing aide in the Municipal Hospital.

Mrs. Rose Glover of Calgary recently visited at the home of Mrs. M. Godfrey. She also visited her sister-in-law, Mrs. M. Glover at Bellevue.

Mrs. Lillian Fisher of Lethbridge attended the funeral of the late Mrs. J. Emmerson in Coleman last week.

Mrs. Annie T. Kovach has returned home after vacationing in Kamloops, B. C., with her son-in-law and daughter, Mr. and Mrs. Laurent Desjardins. During her stay Mrs. Kovach caught her first "Kamloops trout" — it was a whopper.

### Former Resident Poses At Coast

Mr. and Mrs. Ed Wood of Coleman have returned to their home after attending the funeral of Mr. Wood's father, the late Mr. J. R. Wood, who passed away in early September at Whiterock, B. C.

Mr. Wood was a former resident of Coleman, and was well known in the Crows Nest Pass.

### Letter to the Editor

343 West Kings Rd.,  
North Vancouver,  
Sept. 15, 1967.

The Editor,  
The Coleman Journal,  
Coleman, Alberta.

Dear Sir:

So sorry I didn't send money sooner but have been holidaying. We dropped in at your office around the end of August while visiting with our daughter Nancy, but you were also on holiday.

Our daughter really enjoyed seeing her home town for the first time in 20-odd years. We were there for only two days so couldn't see everyone. We send our regards and warm wishes to all.

Mr. and Mrs. J. Ukrainetz.

All great accomplishments are attained through co-operation.

Life is like a mirror—it never reflects more than we put into it
